

Going
Paperless
for a
Greener
World

Introducing
our newest
customer benefit

Introducing “**Cert-stor**”. Our new customer benefit to thank you for your continued business and to help you with your ISO requirements.

This new program enables **ASC customers** to securely access their scale calibration certificates online, 24/7. The past 5+ years are available on a secure server and filed by company, location (if more than one), year, month, and inspection date. Just that easy, just that quick.

INTRODUCING **Cert-stor**

ONLINE PAPERLESS CALIBRATION CERTIFICATES

To register: Complete the registration form on the back of this flyer and either:

Fax to:
888-515-6201

OR

Email to:
janet@american-scale.com

American Scale Corp.

3540 Bashford Ave
Louisville KY 40218
Ph: 502-451-5040
Fax: 502-451-5535

Benefits to Your Business and the Environment:

- **Secure:** online certificates are password protected on a secure website.
- **Fast Delivery:** by receiving your calibration certificates online, you will be able to view them faster, which increases your efficiency.
- **Easy Viewing:** Certificates are saved in PDF format.
- **Cost Reduction:** Paperless certificates is a **FREE** service provided to American Scale customers. Reduces ISO audit expenses.
- **Help the Environment:** Use less paper to minimize unnecessary waste in an effort to save trees and our environment.

How Paperless Certificates Works:

- A registration form, included with this mailing or accessed from the website, must be completed, faxed to 888-515-6201 or emailed to janet@american-scale.com.
- You will receive an email confirmation with viewing and download instructions when your registration is complete .
- An email will be sent notifying you that certificates are ready for viewing from our website.

Did you know? *

- The amount of oxygen produced by an acre of trees per week equals the amount consumed by 18 people annually.
- One acre of trees removes up to 2.6 tons of carbon dioxide each year.
- Shade trees can make buildings up to 20 degrees cooler in the summer.
